

**INTERNATIONAL WORKSHOP OF ORGANIC AGRICULTURE RESEARCH AND  
DEVELOPMENT & 3<sup>RD</sup> ORGANIC CERTIFICATION TECHNICAL FORUM**

**21<sup>st</sup> October 2009**

**B1/F – B/Plenary Session: B1/F Jin du banquet hall B**

Opening session: Welcome addresses	
Chaired by Huang Souyun, Deputy General Director for International Cooperation, CNCA	
9:00-9:30	Mr. Gu Jiping, Deputy Chief Administrator, The Certification and accreditation Administration of China (CNCA)
	Prof. Zhang Linyi, Vice-President, China Agricultural University
	Mr. Dong Hongyan, Representative from Ministry of Agriculture
	Mr. Kong Yuan, Department for Nature & Ecology Conservation, Ministry of Environment
<b>PLENARY SESSION</b>	
Chaired by Thomas Harttung, ICROFS	
10:00-12:00	Regulation, certification and support policies on organic agriculture in China / Mr. Liu Xiande, Vice Director of Registration Department, CNCA
	The need for international cooperation in the field of organic agriculture research / Dr. Niels Halberg, Director ICROFS
	The problems, challenges and strategies of organic agriculture development in China / Prof. Wu Wenliang, China Agricultural University
12:00-13:00	Lunch
<b>ORGANIC AGRICULTURE AS A POLICY INSTRUMENT AND OVERVIEW OF GLOBAL ORGANIC RESEARCH</b>	
Chaired by Prof. Yang Zhigang, CNCA/Niels Halberg, ICROFS	
13:30-14:00	Organic farming Research in Beijing – Key technology for organic fruit and vegetables production / Ouyang Xihui, Beijing Agricultural Products Safety Office
14:00-14:20	Developing organic agriculture and promoting modern ecological agriculture / Xu Fengxiang, Vice Deputy of YanQing County
14:20-14:40	Policy objectives for supporting OA in Europe/Denmark / Annette Toft, Director, Danish Agriculture and Food Council
14:40-15:00	Danish Food Safety Research, with wpecial emphasis on organic food products / Henrik C. Wegener, Director, DTU Food, National Food Institute
15:00-15:20	Overview of research activities on organic farming in China / Dr. Meng Fanqiao, College of Resource and Environment, China Agricultural University
15:20-15:40	Challenge for Research in organic agriculture and food systems in a European perspective / Dr. John Hermansen, Aarhus University
15:40-16:00	Coffe Break
16:00-16:20	Establishment and implement for risk precaution mechanism in China, Li

	Xianjun from COFCC
16:20-16:40	Organic Practices at WIT: answers to suspicions, Lu Zhenhui, General Manager and Professor, Food-Cert Services, WIT Assessment
16:40-17:00	ICROFS as a "centre-without-walls" / Thomas Harttung, ICROFS
17:00-17:20	Long term trials for compatible agricultural production and sustainability / Prof. Li Ji, College of Resource and Environment, China Agricultural University
17:20-17:40	Long term trials in Europe and North America: experience and research approaches / Dr. Joachim Raupp, Institute for Biodynamic Research, Germany
17:40-18:00	Adoption of agro-ecological methods and needs for future development / Dr. Mwatima Juma, Field Officer, IFAD C/o FAO

## 22<sup>nd</sup> October 2009

### Workshop I: Organic regulation and standards, B1/F Multi-functional room

Chaired by Mr. Liu Xiande, CNCA	
8:40-9:30	Speech by Certification Bodies
10:00-10:20	Coffee Break
10:20-11:30	Revision of National Organic Standard, Part I
11:30-12:00	Revision of National Organic Standard, Part II
12:00-13:30	Lunch
13:30-14:00	Revision of National Organic Standard, Part III
14:00-14:40	Revision of National Organic Standard, Part IV
14:40-15:00	Coffee Break
15:00-16:00	Revision of Implementing Rule of Certification for Organic Production
16:00-16:30	Conclusion

### Workshop II: Research workshop for International OA, B1/F The first meeting room

OA research and practice	
Chaired by Prof. Li Ji, CAU, Annette Toft, Danish Agriculture and Food Council	
8:40-9:00	Contribution of organic agriculture to MDGs / Dr. Qiao Yuhui, College of Resource and Environment, China Agricultural University
9:00-9:20	The relation/collaboration between farmers and research / Aage Dissing, Organic Denmark
9:20-9:30	Organic agriculture development in Zhunger County, Inner Mongolia / Qi Dalengtai, Vice president of Zhunger County
9:30-9:40	Introduction of the development of OA in Zibo city / Wang Benfu, Director, Agriculture comprehensive development office

9:40-10:00	A Case study in a village of Shandong / Jiang Gaoming, Institute of Botany, The Chinese Academy of Sciences
10:00-10:20	Coffee Break
10:20-10:40	Pest ecological control and organic Food Industry in South China / Dr. Cen Yijing, Key Entomology Laboratory of Ministry of Agriculture
10:40-11:00	China OA traditional technology and examples / Prof. Du Xiangge, College of Agronomy and biotechnology, China Agricultural University
11:00-11:20	Agro Biodiversity and Organic research in the US and internationally / Louise Jackson, UC Davis
11:20-11:40	Organic dairy farming and organic feed supply / Prof. Li Shengli, College of Animal Science, China Agricultural University
11:40-12:00	Agro-ecological research for sustainable development: organic agriculture in a global perspective / Bernard Hubert, France, INRA-CIRAD
12:00-13:30	Lunch
Research efforts to support development of organic food and agriculture	
Chaired by Prof. Lu Zhenhui WIT Assessment / Bernard Hubert, France, INRA-CIRAD	
13:30-13:45	Organic Vegetable Production: Internal Control and Quality Ensurance System / Mr. Zhang Gang, Tai'an Taishan Asia Food Co., Ltd.
13:45-14:00	Problems and challenge of delivery system in domestic market / Xing Jianping, Beijing Orgnaic and Beyond Co.
14:00-14:20	Involving stakeholders in prioritizing public research funds for OA (case: Danish Council for OA, Knowledge synthesis/white paper) / Michael Stevns, Agriculture and Food Council, Denmark
14:20-14:40	Organic research centre alliance (ORCA): a proposal for a global research network / Lise Andreassen, ICROFS
14:40-15:00	Coffee Break
Future Research activities	
Chaired by Wu Wenliang, CAU, Niels Halberg, ICROFS	
Roundtable discussion – Academic and private sectors: opportunities and barriers to joint research; on potential topics for future OA research in China	
15:00-16:00	Research Network on organic agriculture in China: draft ideas, group discussions: focusing on different themes, for example, topics for OA research, organisation of OA, international collaboration, and/or other themes
16:00-17 :00	Plenum – presentations of suggestions from group discussion
17:00-17:30	Closing Session: Summing up from the 2-days and presentation of a proposal for research and development of organic farming in China
